

REMARKS

Claims 25,45 and 53 have been amended to correct informalities noted. Specifically, in Claim 26, lines 8 and 15, Claim 45, lines 7, 13 and 14 and Claim 53, line 3, "pump" has been changed to -- rod pump -- to provide a more clear antecedent basis for the term "pump" as recited in these claims. The amendments relate to the correction of informalities, do not affect the scope of the claims and do not require an additional search. Therefore, the entry of these amendments is respectfully requested.

Should the Examiner believe that the prosecution of the application could be expedited, the Examiner is requested to call Applicants' undersigned representative at the number listed below.

Respectfully submitted,
